

## PREMIUM INGREDIENTS FOR PETS

- **Freshness & Quality:**

All ingredients from human-grade food plants for maximum safety and nutrition.

- **Nutritional Excellence:**

Oils, proteins and meals selected for optimal digestibility, amino acid profiles and essential fatty acid content.

- **Specialty Options:**

Our potato protein and oatmeal are ideal for grain-free formulations and are also a hypoallergenic option.

- **Transparency & Sustainability:**

We are committed to responsible sourcing and transparent supply chains.
